

FUNCTION PACK

**Thank you for considering Grangers and Marina
Cantina for your next event.**

In the heart of Half Moon Bay Marina on Auckland's East Coast is
Grangers Tap house & Kitchen

Grangers is a superb casual dining venue overlooking the marina.
The sun seems brighter in our boat filled playground, good times spill
down to the waterfront, days are filled with tastes, laughter, drinks and
friends.

The restaurant provides a beautiful light-filled space perched on the
harbour where lazy lunches flow into afternoon cocktails. The sun says
farewell and sets across Rangitoto Island in the distance with chilled
tunes on the terrace.

Linger over freshly shucked Waiheke Island Oysters and a seafood
plate with a crisp glass of rose.

Grangers is where people come together for good times and
celebrate the significant moments since 2012.
